Headin' in or headin' out
Standing on the shore
Pause a moment to reflect
Which trip costs you more
Between the ever restless crowds
And the silence of your room
Spend an hour in no man's land
You'll be leaving soon

And so it seems our destiny
To search and never rest
To ride that ever changing wave
That never seems to crest
To shiver in the darkest night
Afraid to make a stand
And then go back and do our time
Out there in no man's land

Homecoming 1982

Homecoming 1982 took place on October 2, a beautiful, sunny, autumn day. The mighty Knights dropped their first game to end their winning streak, but the spirit of the Knight fans was kept alive throughout the afternoon. Paula Horton, escorted by Dick Cook, was crowned Homecoming Queen during the halftime ceremonies. Included in the court were Barb Wagner, Nancy Ricalton, Pam Schwab, Lotta Sandin, Janie Jordan, Marcy King, and Jackeline Barbur.

While in these quiet days of desperation
As I wander through the world in which I live
I search everywhere for some new inspiration
But it's more than cold reality can give
If I need a cause for celebration
Or a comfort I can use to ease my mind
I rely on my imagination
And I dream of an imaginary time

I've been lately thinking
about my life's time
all the things I've done
and how it's been.
And I can't help believing in my own mind
I know I'm gonna hate to see it end

I've seen a lot of sunshine
Slept out in the rain,
Spent a night or two all on my own
I have to say it now
it's been a good life all in all
It's really fine to have a chance
to hang around

We can walk our road together
If our goals are all the same.
We can run alone and free
If we pursue a different aim.

Senior Class Advisor — Doran L. Gilhousen

As you conclude your senior year, I hope you can reflect back with pleasant memories. Each individual has specific expectations of a high school career. Hopefully, your personal goals have been reached.

I wish to commend the class of 1983 for being independent. My involvement with you has been meaningful, rewarding and educational due to your independence. Also I wish to thank those who have enough self-pride to respect me in the manner I respect you.

As individuals, you will each choose a particular way of life for yourself. Your types of employment and styles of living will be wide and varied. No matter which avenue you choose, remember one thing — every job is a self-portrait of the person who did it. Autograph your work with excellence!

In closing, I thank you for the opportunity of being a part of your class and sharing the past four years with you. My final comment to you is this — I hope each of you get out of life exactly what you deserve.

You Class Advisor,

Doran L. Gilhousen
